Come in and soak in the Spirit of God, rest and be restored in His presence. Feel free to sit, lie down, sway or dance as the Spirit leads you. No active participation (such as singing or praying aloud) is necessary.

SOAKING SESSION W/CD:

Same as the regular soaking worship session described above except that music is not live. If there is not music on feel free to push play on the cd player.

INTERCESSORY WORSHIP SESSION:

Come in and join us. This meeting will flow back and forth between worship and prayer. Engage your spirit in the flow of worship and intercession and feel free to pray out within that flow as the Spirit leads you.

WEBCAST:

The webcasts from IHOP will most often be intercessory in nature so you can participate in them in much the same way you would our intercessory worship sessions.

CONTEMPLATIVE WORSHIP SESSION:

This meeting is a Spirit infused contemplation of the Sacred Word. The flow of the meeting will include worship, responsive scripture reading, meditation, and reflection amidst times of both silence and soaking worship.

MEETINGS & CLASSES:

Meetings and classes will be directed by the teacher or leader.

HEALING ROOMS:

12:00pm to 2:00pm on Wednesday you may come to receive healing prayer.
